

Medications Work Group

Co-chairs: **Brett Esler**

Safe medication management is a critical clinical safety issue.

The HL7 Australia Medication Workgroup (WG) provides a forum for stakeholders and interest parties to contribute and discuss matters related to clinical and technical contents of medication information.

The mission of this WG is to assure that these medication information contents:

- meets the requirements of prescribing/ordering, dispensing and supply, administration and use
- supports the understanding and review of patient's medical profile and management
- are interoperable (clinically and technically)

Interested parties/stakeholders from the clinical and technical communities are welcome and encouraged to join and participate in the activities of this WG.

As a member of HL7 Medication WG, you will be able to:

- Help shape the direction(s) of and contribute to this workgroup in the adoption, adaption (localisation) and development of interoperable contents to support safe medication information exchanges and management
- Receive regular updates on the trends in national and international standards in interoperable medication information including FHIR medication resources and other HL7 Pharmacy standards
- Gain hands-on experiences in the adoption, adaption, development and implementation of interoperable medication information through HL7 Australia sponsored events such as Connectathons and Clinician-on-FHIR

Call for Co-Chair Nomination

If you have an interest in being co-chair for this working group please contact the Working Group Liaison Officer on email wgo@hl7.org.au to nominate.

Ideally each working group will have 2 or more co-chairs.

Work Group Meetings

Conferencing

Next meeting  **04 Aug 2019** **Wednesday 1-2pm Eastern Time (Every 2 Weeks)**

Join from PC, Mac, Linux, iOS or Android: <https://zoom.us/j/8838248492>

or Phone: +61 (0) 2 8015 2088, Meeting ID: 883 824 8492

International numbers available: <https://zoom.us/join?j=8838248492>

notifications email list - sign in with google account or register you email with google id to join:
